

Hi there 😊

Thank you for your enquiry about our **Swim with Style franchise opportunities** — it's lovely to hear from you.

We currently have a small number of **re-sale opportunities available**, meaning you can step into an already established swim school with swimmers and systems already in place — a great way to get started.

To help me guide you in the right direction, I'd love to know a little more about you:

👉 **Which area or town are you based in?**

👉 **What's your background or interest in swimming or business?**

This will help me share the most relevant opportunities and advice for you.

👉 *Just pop me a quick message with a couple of lines — I'd love to hear a bit more about you.*

---

**Best regards**

Glynis Sheppard
